STEP Certification Program

Education: I understand that in order to be accepted into this program I must possess a **Physical Therapy degree, Physical Therapy Assistance degree or Athletic Training Certification.**

yes no

Diploma: Please enclose a copy of your above diploma or certification.

Health: Are there any health problems or disabilities that would endanger or hinder your completion of this training program? yes no. If yes, please attach explanation.

Program Consists of:

- **Courses:** Participation in all 6 STEP course, each consisting of a 2-day weekend seminar. Substitutions of previous MT4A and MT4B courses will not apply to credit for this programs. In Class Hours 96.
- **Theoretical Course:** The MT1 course, as either a formal weekend seminar or as a home study, must be completed. Previous participants in any OGI CCP or Residency program are waived of this requirement.
- **Homework:** Each of the 6 courses associated with the STEP Certification program require additional reading and video assignments related to course materials and/or STEP theory.
- **Quizzes:** Each of the 6 courses will have an online quiz related to the course content and assigned reading and training videos.
- **Exercise Projects:** For each course participants will be required to submit an original or modified exercise video utilizing concepts associated with course materials. The video can be a live patient video or demonstrated by a model. All videos will be accompanied by a video release form. Participants are must be able to record their own digital videos and submit in a .mp4 or .mov format. Internet services to upload to an OGI Dropbox folder will also be required.
- **Final project:** On completion of the 6 required courses, and prior to sitting for final examinations, each participant is required to submit an exercise protocol/guideline document that is fully referenced and demonstrates application of STEP principles.
- **Examination:** upon completion of all coursework, students will participate in a 7th examination weekend. This weekend will consist of content review, a written examination and a practical examination from an OGI Faculty member.
- **Completions:** All courses, assignments must be completed in a consecutive 3-year period. Students that fail their exams will be allowed to retake the exams past the 3-year time frame.
